

PBT / DATAMASTER

Training Information

DATAMASTER

If you are in need of certification for the Datamaster, please complete an Application for Specialized Enrollment (click link below). Please make sure to supply an email address for each individual to use for the training. Once you are enrolled in the class, we will email you your username, password, and the information to logon. For agencies enrolling large numbers of people at one time please contact Steven Gobel at 308-385-6030 ext. 301.
